

11/14/20

United States District
Court District of Oregon

6:20-cv-02043-SB

Amended Complaint

Lane County Jail is in Violation of O.R.S. 169.076. Not administer ANY Physical Punishment to ANY Prisoner at ANY time. Also is a Violation of our Eight Amendment: Cruel & Unusual Punishment.

Cruel & Unusual Punishment may include unsafe working or living conditions. This can include exposure to human waste. (An Inmate who is in Segmed in Cell E-020003 used to be in 3 South with me also & wouldn't come out for weeks. When I said something to the Deputies that he can't live in there like that, they moved him into a clean cell & had him shower. The Inmate workers who cleaned that cell said on audio, there is poop on the floor.) Mid Oct.

Of Non-Functioning Plumbing, exposure to asbestos or toxic waste, unsafe food, filthy cells, (I went to Seg on 11/5/20, I notice on 11/8/20 in other people cells 1, 2, 4, 6 it was dirty with food on floor & what not. So I wrote a Kite to The Sgt's & told them, these Mental Health people can't live like this, they should get clean cells. The guy in 6 was the guy with me on

3 South in Cell 13, I told you about. 30 mins later they all got moved into a clean cell. ON 11/9/20 at 3:20am me & that guy got moved to Med Side, I was in E-01 & he was in 20r3.)

Of extreme temperatures (The Cells were cold, really cold. It was colder at night & it didn't help that the Vents is blowing out cold air. & they deny me a extra cover. It's even cold up on 3 South Also. I'm in a war about it right now. They are winning because I have no voice & other inmates are to scared to stand up because they see how i get treated.)

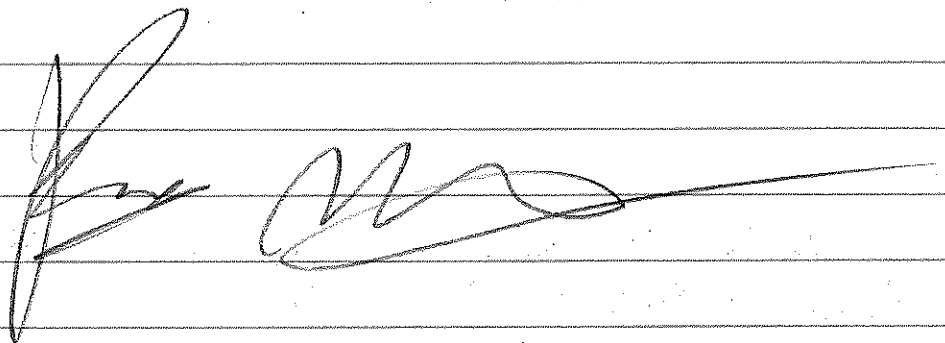

I'm back up on 3 South & I feel I let the people in seg down. I feel they are being treated poorly. On 11/10/20 I wrote a Kite in seg on my Dayroom to the Sgt saying tomorrow will be Day 4, inmates in Cell 1 & 4 have been in the same dirty cell & ask for them to be moved again in to a clean cell. I didn't get that kite back but I was moved the next day to Intake.

Please listen to this & do something. The Shower in Seg (the Hole) comes out Hard & in a straight line, like a power wash (I have it on Audio a Deputy & I talking about it & him saying he'll put a work order in) & All Cells in Seg/med has Cam in it so you can see I'm not lying if you get it from 11/5 - 11/11 & before & after these dates, when i wasn't there)

I have Been in 7 housing area/pods & All Those Shower Come out Like a Soft Mist. We Shouldn't Be Treated that way & I hope You Look into & Change thing's. Please remember People Lie, Inmates as well as Deputy's. but I'm not asking You to Take my Word. I asking You to Watch the Video's. I was in Seg For 15min. Watch, not Because i was in trouble.

I hope to hear From You
&
Things Change.

Thank
You
